INVESTMENT OPPORTUNITY IN SENIOR LIVING FACILITIES

60% of net profits plus quarterly dividend -
Targets annualized return of 15%

WORTHY WEALTH SENIOR LIVING SHARES

- **Target Current Yield:** 15% net annualized
- **Minimum Investment:** \$100
- **Target Term:** 5 years
- **Payment Schedule Yield:** Quarterly 5% yrs 1,2,3 / 7% thereafter
- **Payment Schedule Profit:** 60% of profits when each property sells

Worthy Wealth Senior Living, Inc. partners with experienced and successful senior living facility owners and operators to acquire underperforming and undervalued facilities in selected communities throughout the United States. The Company's strategy includes:

- **Replacing Management:** Installing proven management teams to enhance operational efficiency.
- **Improving and Upgrading Facilities:** Modernizing infrastructure and amenities to meet market demands.
- **Introducing New Programs and Activities:** Enhancing resident experiences to increase satisfaction and retention.
- **Increasing Revenue:** Driving occupancy and implementing pricing strategies to boost profitability.
- **Profitable Exit:** Selling the improved facilities at a significant profit over acquisition cost.

The Company leverages the expertise of its partners and a disciplined acquisition strategy to capitalize on the growing demand for high-quality senior living facilities in desirable markets.

THE INVESTMENT OPPORTUNITY

Worthy Wealth Senior Living, Inc. is offering shares of preferred stock (the “shares”) to retail, accredited, and institutional investors.* The key terms of the investment are as follows:

Share Details

- **Investment Type:** Shares of preferred equity

COMPANY OVERVIEW

Worthy Wealth Senior Living, Inc. is a corporation dedicated to creating value in the senior living sector. By acquiring undervalued assets, implementing operational improvements, and leveraging experienced partners, the Company aims to deliver strong returns to its investors while enhancing the quality of life for residents in its facilities.

RISK FACTORS

Investing in Worthy Wealth Senior Living, Inc. involves risk, including, but not limited to:

- **Market Risks:** Fluctuations in the senior living market or real estate values may impact profitability
- **Operational Risks:** Challenges in improving underperforming facilities or attracting residents.
- **Liquidity Risks:** Shares may not be readily transferable, and returns depend on successful property sales.
- **Economic Risks:** General economic conditions may affect the Company's ability to achieve targeted returns and return of investment.

Investors should carefully read the Worthy Wealth Senior Living Offering Statement and review all risks and consult with financial advisors before investing.

USE OF PROCEEDS

Funds raised through the sale of preferred stock will be used to:

- Acquire underperforming senior living facilities within the United States.
- Finance facility improvements and operational enhancements.
- Cover management and administrative expenses related to the company's strategy.
